FIDELITY **FLIP TOP** File/Rack Combination

*Maximize the use of your
CUBIC storage space*

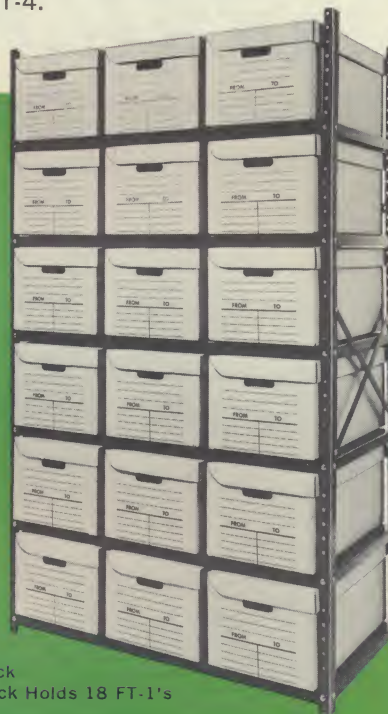

FT-4 RACK. Steel shelves eliminate waste space, reduce handling time of transfer files. Heavy-duty 13 gauge steel posts are punched on 1½-inch centers for maximum shelf spacing flexibility. Four 18 gauge steel shelves are crimped and bent on four sides for built-in underbracing. Sway braces. Gray enamel finish. Stacked two high makes seven shelves—enough shelf-space for 21 FT-4's.

FT-1 RACK. Six shelf, 75" steel rack has the same rugged construction as model FT-4.
